

The Chamberlin's *Peace of Mind* Package.

Our goal at The Chamberlin is for each resident to live as independently and vibrantly as they can each day. While you may not need these services now, the availability of home health care and other services offers peace of mind for your future allowing you to age comfortably in your Chamberlin apartment home.

Sentara Home Care Services provides a full range of home health services which are typically covered by insurance when ordered by a physician including

SENTARA®

- Skilled home health care
- Rehabilitation therapies such as physical therapy, occupational therapy, and speech therapy
- Home medical and respiratory equipment

Other Services Available at The Chamberlin:

- Assistance with daily activities including medication reminders and personal care in the comfort of your own home
- Assistance with light meal preparation, transportation, shopping, laundry, and light housekeeping,
- Transportation to medical facilities or other medical establishments

Timeless...For The Time of Your Life.
